

## Self Pay - finance options

Paying for yourself at Devizes NHS Treatment Centre might be more affordable than you think with our finance options.

Through our partner Chrysalis Medical Finance we offer approved patients a range of funding options (subject to status) to pay for one-off private treatments.

This means you can spread the cost of your treatment using our interest free and low APR finance solutions, which can be arranged in advance.

Finance is available over 36, 48, and 60 months at 9.9% APR, all with the option to settle **interest free** within the first 12 months, if you choose.

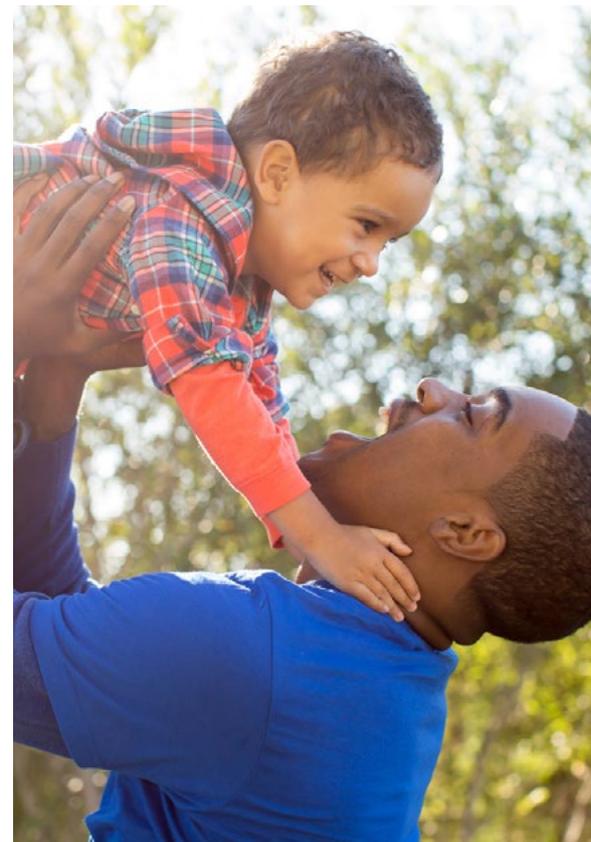

To find out more about applying for a loan with Chrysalis Medical Finance, please contact our Self Pay Advisors on **0330 053 6376** who can explain the options further.

## How to access our self pay options

We know that choosing to pay for your own care is a big decision, so we're with you every step of the way. Payment is simple and straightforward, with no nasty surprises, to make your treatment with us as hassle free as possible.

### 1. Speak to us about your options

Our friendly team is on hand to answer any questions you might have, and explain our self pay solution to you before you start.

### 2. Book your appointment

Once you've decided you'd like to pay for your treatment, we can arrange your first consultation.

### 3. Get your referral

Before you come to see us, speak to your GP or other healthcare professional (dentist, optometrist or physio, for example) and ask for an open referral letter.

### 4. Meet your consultant

Your specialist will discuss treatment options with you and explain any diagnostic tests you might need as part of your individual care package.

### 5. Book your treatment

You will be given a choice of surgery times, with very little wait, and can choose the most convenient time for you. Payment is made before you start your treatment.

### 6. Get life back on track

We'll take care of the rest, leaving you to focus on treatment and recovery while our professional medical teams deliver your personalised care.
